

Policy for selling the Society mailing list:

All requests to purchase our list will be forwarded to and reviewed by the Communications Committee.

If a request is approved, mailing materials will be sent to Prime Management, who will do the actual mailing.

Cost for the list is \$500 (which includes processing and mailing labor) plus the cost of postage.

Since the list is available to member online, a statement on the policy for use of the list is posted on the website:

Policy for Using the Membership List

Use of the names, addresses, and contact information of SACME members for the purpose of mass mailings is under the purview of the Communications Committee and must be reviewed and approved by that group.

Inquiries should be directed to the Chair of the Communications Committee.
